STAKE TO ROSE OF JEDDAH

FRYE FILLY WINS RACE AT LEXINGTON IN IMPRESSIVE FASHION.

Betting Continues Light and Association's Revenues Fall Behind Record of Previous Meetings— Jockey Archibald to Go Abroad.

Lexington, Ky., September 16.—The Senorita Stakes, for two-year-old fillies at three-quarters of a mile, was the feature of the card for the third day of the Kentucky Association's fall meeting, and it was won in handy fashion by J. W. Frye's Rose of Jeddah, well ridden by jockey Loftus. Lady Lightning and Azyiade were the betting choices, and they finished second and third, respectively. Lady Lightning had a seemingly commanding lead at the end of the first three-eighths, but coming up the hill she seemed to stop. Rose of Jeddah shot past her like an arrow out of a bow and from that point on was never in trouble, though Lady Lightning came again entering the stretch. Rose of Jeddah's people had some doubt as to whether she would like the distance, but she certainly dispelled it when she got to running. In rounding the far turn, Ursula Emma fell, with jockey J. Deavenport under her. The boy had no bones broken, but for a time the accident took the wind out of him, and it was necessary that he cancel his engagement to ride Spalding in the fifth race. The filly was not injured.

R. F. Carman furnished three of the afternoon's betting disappointments in Compton, Sir Cleges and Semprolus, starters, respectively, in the first three races. Semprolus made a game effort to take the purse, but was forced to succumb to Princess Callaway.

Backers of Robert Bruce, the favorite, were forced to observe their money lost long before the race was half over, when the horse was taken with a hemorrhage. His elimination from the contest enabled Silver Knight to score an easy victory. Incidentally he showed sudden improvement over a previous start.

Irving H. Wheatcroft took his first purse in months when Union Jack led home a mediocre band in the fifth. Jacobite succeeded in beating out Jack Weaver for second place.

The weather this afternoon was dry but cloudy, there having been showers during the morning and the track was a veritable quagmire. The attendance consequently was lighter than the officials might have expected under more favorable conditions. There were about two thousand present. The betting, as compared with the previous two days, picked up some, but there was still a very considerable falling off from the same day's money handling last spring and last fall. The total money handled today was $25,947.

On the third day of the meeting last spring the take in the mutuels was $24,931, and the auctions $7,475, making a total of $32,406, and in the third day last fall it was: Mutuels, $24,902; auctions, $8,117; total, $33,019, making $7,072 less this fall. The decrease in the money handled the first three days of this meeting, as compared with the first three days in the fall of 1910, is $22,307, which, at five per cent commission, means a loss of $1,115 to the association and, according to the statement of one of the directors tonight, this has not been counterbalanced by the increased admission fee. He said that, everything counted, the association is about $700 behind the revenue of the first three days last fall. The big operators may eventually be driven to put their money into the pari-mutuels, but they are not doing it here. The former auction pool buyers are either betting their money away from the track or not betting at all. The only man who is known to have bet as much as $100 in the machines on any horse during this meeting is W. G. Yanke, who, presumably with the idea of establishing a better price against Quartermaster for a bet that he had made away from the track, put in $100 each on Cherryola, Raleigh P. D. and Hanbridge.

Thomas C. McDowell is making preparations to ship ten of his racers, including the crack youngster, The Manager, to Laurel, Md., where H. D. Brown's new track will open for racing October 2 and continue until October 31. The McDowell racers will then be transferred to Jacksonville, and at the close of that meeting to Havana, Cuba. Mr. McDowell will serve as the presiding steward at all these points. Commenting on The Manager's injury, Mr. McDowell expressed the belief that it does not amount to much, and that the colt would round to his best condition in a short time, but it is doubtful if he will be a starter until late in the year and possibly not until next spring. He will be an entrant in all the big three-year-old features to be run the coming winter.

There was plenty of horses training over the difficult course this morning, but the best workouts were a shade under a two-minute clip, Royal Report's mile in 1:51 being the best.

Jockey Eddie Martin had his first mount today since his suspension by Judge Price at Latonia for incompetency. He rode Lady Lightning in the Senorita Stakes.

Jockey George Archibald left here tonight for New York, whence he will sail next week for Berlin, Germany, where he is to ride for Baron Oppenheim. Conducting his negotiations through August Belmont, Baron Oppenheim this morning closed the deal for the contract held by R. F. Carman and expiring April 23 next. Under the arrangement made through Mr. Belmont, Archibald is to receive $6,000 from now on until the expiration of the Carman contract and then $7,500 from May to October, in addition to his traveling expenses, which will be furnished him by Mr. Belmont when he arrives in New York.

W. G. Yanke makes the announcement that at the close of the Louisville meeting he will ship his string to Mexico City, where there will be seventeen days of racing preceding the opening at Juarez.

E. R. Bradley arrived in New York last night from England and will be in Lexington tomorrow morning.

Messrs. H. K. Knapp and F. R. Hitchcock, for whom William Karrick is training a stable at the local track, are due here Monday morning from New York.

There will be a big gathering of turfmen at Tattersalls tomorrow morning. About one hundred of the yearlings to be sold at the sale next week are to be on exhibition during the day. The yearlings of W. O'B. Macdonough arrived from California last night and those of Messrs. Hancock and Oxnard arrived from Virginia today.

The weights for the Phoenix Hotel Handicap, one mile and an eighth, to be run Wednesday, are:

Bell Horse, 102; Bettie Sue, 101; Starbottle, 117; Milton B., 102; Swannanoa, 109; Mary Davis, 107; Cherryola, 107; Carlton G., 115; Explicit, 92; Messenger Boy, 102; Melton Street, 98; Nimbus, 114; Fireman, 106; Leamence, 107; Governor Gray, 115; Polls, 110, and Foxy Mary, 101.

It is reported that jockey George Mountain has entered into a contract with A. Amor, a prominent Mexican turfman, to ride one of his candidates in the Mexican Derby, to be run during the meeting at Mexico City, October 22-November 26.

BUTWELL RIDING SUCCESSFULLY ABROAD.

James Butwell, an American jockey who is riding in Russia this season, is reputed to have won more than fifty races to date. He had the mount on the winner of the Derby, the Oaks and the Nicolaivsky Prize. In the latter two races the horses he rode were disqualified. Both horses are owned by Mr. Lazareff, and the disqualification meant a loss of 20,000 rubles. Although Butwell has had a highly successful season abroad, he is not particularly impressed with the general conditions, and is expected to return to this country during the winter.

NEW RULES CREATE FRICTION.

Dissatisfaction at Lexington Over Recent Action of Kentucky State Racing Commission.

Lexington, Ky., September 16.—Probably there never was a race meeting that opened in such a swirl of dissatisfaction as that attending the inauguration of the fall season here last Thursday. It mattered not whether one was down in the city or on the race course, it seemed that he could not turn in any direction but what he came in contact with someone with something to criticize and, first and last, the criticism was all directed against the Kentucky State Racing Commission.

The Commission on August 10 had announced the introduction of an amendment to rule 12, striking out the words "and the auction pools," which would leave that rule to read "All racing associations licensed by this Commission are hereby instructed to permit only the pari-mutuel system of betting on their grounds. The commission deducted by the associations from said pari-mutuel pools shall not exceed five per cent of the gross amount of money handled. Any violation of this rule shall be punished by revocation of their license."

Throughout the required thirty days pending action on the measure there was much discussion of the probable effect of the elimination of the auction pooling system from the Kentucky tracks, and it seemed to be the general, though not unanimous, opinion of thinking men of the turf, and particularly those alive to the angles of the betting ring, that it would be a mistake to make it a prohibitive enactment, for the reason that it might prove a serious detriment to one or more of the associations in the matter of necessary revenue.

The Kentucky State Racing Commission, in the course of the discussion, made no explanation of its reasons, as a body, for wanting to eliminate the auctions, but Chairman Clay said that they were being used as a basis for prices sent to handbooks and poolrooms, and that it was the intention to wipe out the system to show the public that the Commission would do everything possible to stamp out betting away from the track.

An effort was made to show the Commission that the elimination of the auctions and the removal of the telegraph and telephone wires from the grounds, which had been coupled with that measure as a part of the crusade against the handbooks and poolrooms, would not have the effect desired by the Commission, but they could not see it.

At their meeting Thursday morning they adopted the amendment to rule 12 and passed the rule ordering off telephone and telegraph wires and for bidding even a messenger service for the afternoon newspaper reports. The Kentucky Association, anticipating that this action would be taken, and realizing, or at any rate strongly believing, that there would be a decrease in its revenue from the betting without the auctions, put up the price of admission to $1.50 for men and $1 for women, an advance of 50 cents per ticket.

The auctions went off, the betting ring was a sort of a city of the dead as compared with the former activity about the stand of the pool auctioneer, the poolrooms and handbooks throughout the country got their service through men with glasses sitting at windows in buildings overlooking the track, and the reporters for the afternoon newspapers had to resort to a relay of messengers to get their matter downtown to the telegraph offices.

Meanwhile those who had been in the habit of patronizing the auctions to the exclusion of the mutuels were dissatisfied; the regular mutuel patrons found fault because they had no guidance as to favorites from the auctions; the public was generally dissatisfied because it had to pay a higher tariff to see the racing, and the newspaper representatives were up in arms because of the inconvenience to which they were being put.

R. F. Carman says that he is going to England after the fall racing in Kentucky is over, and that the turf in America probably will never know him again. He says he will take the best horses of his stable of thirty-five; will get them thoroughly acclimated during the winter and be ready for racing on the other side next spring. "Canada and Kentucky are practically all that is left to racing on this side of the Atlantic," he said. "There is no money to be made in Canada with a big stable. The seven days between meetings and the long shipments make it too costly. I did not make my expenses in the Dominion this season. It is little better in Kentucky for the man who carries as many horses as I have. I do not get any encouragement as to the situation in New York, and I have no idea when if ever, the sport will 'come back' in the East. Hence my plans to go abroad."

After the shipment of the ten sons and daughters of Rock Sand to England this week, to be sold on October 11, and the cataloging of sixteen others to be sold here next week at the auction of the Kentucky Sales Company, only four yearlings are left at August Belmont's Nursery Stud. They are the Rock Sand—Tarpeia filly, the Hastings—Topiary colt, the Hastings—Tea's Over colt, and the Banastar—Chinkara colt. There is a report in circulation here to the effect that August Belmont is planning to send Rock Sand and the best of the mares now at the Nursery Stud to France. Superintendent Ed Kane, however, says that he has no information concerning the intentions of the chairman of the Jockey Club in that direction.

Secretary Ken Walker of the Kentucky Sales Company is expecting an average of $300 to $350 for the yearlings that are to be disposed of at the sale beginning at Tattersall's Monday evening. There is a limited number of young horses in this country for racing, and for that reason he is satisfied that the demand will be good. Tuesday morning the yearlings of Colonel E. F. Clay, his sons, Woodford and Zeke, and Catesby Woodford, will be sold under a tent on Mr. Woodford's Raceland Farm in Bourbon County, near Paris.

W. G. Yanke's string of racers are quite apt to cut a big swath at the meetings in this state this fall. His horses are all in fine fettle and they rank with the best in training on the Kentucky tracks. This is especially true of Quartermaster. This handsome three-year-old son of Orimar and Louise Wood gave a sparkling exhibition in the inaugural dash here Thursday, when he showed his heels to a band of shifty sprinters, including Cherryola, Hanbridge and Raleigh P. D. Quartermaster's performance was all the more striking when it is known that as the barrier went up his rider, Higgins, lost both stirrups and, in his effort to keep his seat in the saddle, pulled the colt virtually to a standstill. When he did get going he was many lengths back and apparently a forlorn hope in so far as the winner's portion was concerned, but with great resolution in the heavy going he overcame his disadvantage in brilliant style and showed a tremendous burst of speed during the middle quarter. He won in commanding fashion from the game Cherryola. He is a mud runner of high quality and will be a hard proposition for the best of them in the sprinting division if he maintains his present form.

OFFICIALS FOR LATONIA MEETING.

The Kentucky State Racing Commission has approved the following officials for the fall meeting of the Latonia Jockey Club, October 16 to November 11: Charles F. Price, presiding judge; John B. Dillon, associate judge; Mars Cassidy, starter; E. W. Maginn, racing secretary and handicapper; J. B. Campbell, clerk of the course, and George Lindenberger, timer.

MONTREAL MEETING AT END

BANNER CROWD TURNS OUT ON FINAL DAY AT BLUE BONNETS.

R. T. Wilson's Beaucoup Wins the Champlain Stakes in Driving Finish with Bob R., and Mexoana Also Scores for Wilson Stable.

Montreal, Que., September 16.—The closing day of the Montreal Jockey Club's meeting brought out a banner crowd. The club provided an atractive program for the occasion. There were two steeplechases on the card, one a handicap over the two miles course and the other the Hendrie Memorial Steeplechase, in which the field was asked to go three miles. The Champlain Stakes, the Military Cup and a two-year-old handicap were additional features.

The going was deep and heavy and sturdy mud runners got the money. The Welkin, making her first start in Ral Parr's colors, proved an easy winner of the two mile 'chase. She went to the front without much effort when ready and drew away into a lead of a dozen lengths.

The Champlain Stakes resulted in a driving finish, in which R. T. Wilson's Beaucoup just lasted long enough to stall off Bob R.'s rush and won by a neck. The Wilson stable also furnished the winner of the second race in Mexoana, which came from be...nd in the stretch and beat the tiring favorite, Eagle Bird.

The Champlain Stakes was instituted at Blue Bonnets in 1908 and its history follows:

Year.	Winner.	A.	Wt.	Jockey.	Val.	Time.
1908	Goes Fast	3	100	Deverich	$1,285	1:38⅘
1909	Great Heavens	3	102	Goldstein	1,245	1:44
1910	Starbottle	3	107	G. Archib'd.	1,195	1:38⅘
1911	Beaucoup	6	98	Diggins	1,220	1:42⅖

Gwyn Tompkins saddled Jimmy Lane in the Hendrie Memorial Steeplechase and he ran coupled with The Prophet. The race was one of the best ever run over the Blue Bonnets course, the field being closely bunched after they had gone two miles and a half. Kermath rushed The Prophet to the front at this stage, but after opening up a big lead, became careless and kept looking back. F. Williams gave Gild a rousing finish and just managed to get up in the last stride to win by a head. Kermath was criticized for not going along with The Prophet. Had he done so, the Tompkins horse probably would have won.

The Military Cup went to Jack Dennerlen, which made all his own pace and scored in a romp.

Joseph McLennan, secretary of the Laurel track, reports the following owners as having made entries to the stakes to be run at the new track: M. Foley, R. S. Brush, C. H. Smith, B. Schreiber, P. M. Walker, O. F. Fleischmann, C. R. Fleishmann, Max Hirsch, C. J. Odell, Woodford Clay, W. Martin, J. W. Burttschell, Mrs. J. W. Flynn, A. Garson, J. W. Schorr, Lexington Stable, M. Daly, I. B. Bradfield, G. A. Muller, Gwyn R. Tompkins, Jule Garson, Beverwyck Stable, A. Simons, James Rowe, William Garth, Ral Parr, E. F. Cooney, G. W. Scott, A. Molinelli, L. Martine, W. G. King-Dodds, E. F. Condran, J. R. Fell, R. F. Watkins, S. Louis, H. Shannon, J. W. Hedrick, T. Wilson and W. B. Mitchell.

The New York delegation which has been attending the races on the Canadian circuit all summer, returned home tonight on three special trains made up of twenty-four cars.

Col. R. J. Holloway, George Reardon and William Sippy left for Lexington yesterday.

Sir Thomas Shaughnessy, president of the Canadian Pacific Railroad, was among the big throng in the clubhouse enclosure.

TRAINING GALLOPS AT LOUISVILLE.

Louisville, Ky., September 16.—Although the Churchill Downs and Douglas Park courses were heavy today, many horses were worked through the mud and slush. At the Downs especially all of the horses worked over the center of the track. As a result fast time was impossible. Among the workouts were the following:

Adams Express—Three-eighths in 39⅘; looks good.
Carlton G.—Mile in 2:03, cantering.
Casque—Half mile in 56, cantering.
Henry Walbank—Half mile in 55⅘; worked with Veneta Strome.
Herkimer—Half mile in 53; first three-eighths in 38.
John Pendergrast—Quarter mile in 26, handily.
Lochiel—Quarter mile in 27; worked with Righteasy.
Nadzu—Mile and a quarter in 2:26⅘; getting ready for Kentucky Endurance Stakes at four miles.
Pardner—Half mile in 55, cantering.
Prince Gal—Three-eighths in 40⅘, cantering.
Recompense—Three-eighths in 40, handily.
Righteasy—Quarter mile in 27, easily.
Sebago—Three-eighths in 38.
Sheriff Nolte—Half mile in 55, easily.
Sir Marion—Three-eighths in 40; worked with Recompense.
Tom Hayward—Five-eighths in 1:10, handily.
Topland—Five-eighths in 1:10.
Veneta Strome—Half mile in 55⅘; looks good.
Worth—Quarter mile in 28; is good.

Edward Jasper, acting secretary, today distributed the book of the meeting which opens at the Downs on Monday, September 25. It contains the stake entries and the conditions of the handicaps and overnight purses for the first six days.

J. B. Respess is not racing at Lexington. He prefers to give his string a rest until the season opens here. The Respess racers are at Douglas Park, but stall room is being reserved at the Downs for him.

The races at the State Fair ended Friday. A fair selling plater was developed there in the old horse Hiram. He ran a better six-furlongs over the Fair course than either John Griffin II. or Butter Ball, both of which won there. Hiram's time over the half mile track was 1:16. Agawam, in the string of W. O. Joplin, has broken down as the result of racing at the State Fair, and will be turned out until next year unless sold.

Several trainers will go to Lexington early next week to attend the yearling sales. All will be buyers. One remarked today that the sport could get no worse than it is, and with Kentucky and Mexican conditions favorable, he had no intention of quitting the turf.

H. R. Brandt's Angelus and Harrigan are training well at Douglas Park. The big chestnut son of Plaudit looks lusty and strong, and seemingly is as good as he was at Juarez last winter. Angelus, too, looks good, and apparently has recovered from his soreness. Brandt has two good two-year-olds in Cash on Delivery and The Reach. This is one stable now in training here which is without surplus material.

Another horse training well at Douglas Park is Peter Wimmer's three-year-old, Any Port. Any Port is fancied by his trainer in his stake engagements, provided the handicapper does not treat him harshly.

KEEN INTEREST IN ENDURANCE STAKES.

Louisville, Ky., September 16.—The running of the Kentucky Endurance Stakes, at four miles, over the Churchill Downs course on October 7, worth to the winner 70 per-cent. of $8,400 in addition to a gold cup donated by the Kentucky State Racing Commission, is attracting international interest. Col. M. J. Winn, general manager of the Louisville Racing Association, predicts that, aside from the fact that the event is the richest turf feature of 1911, it will be the most spectacular struggle witnessed between thoroughbreds in many years. This event will revive long distance racing, so popular in the long ago. It is expected to demonstrate that the thoroughbred of the present day possesses that quality of endurance which rendered famous such performers as Boston, Springbok, Preakness, Bingaman, B. F. Carver, Willie D., Glenmore, Judge Denny, Marplot, Ten Broeck, Mollie McCarthy, Black Maria, Grey Eagle, Wagner, Fashion, Timoleon, Reality and others of renown. The two horses last named were the earliest of Sir Archy's distinguished get and the greatest horses in America descended from Sir Archy.

Not merely the financial consideration, but the honor and glory accompanying victory in the race, is actuating the foremost turfmen of the country to strive for the Kentucky Endurance Stakes prize. Enrolled as contenders will be horses owned by August Belmont, Johnson N. Camden, E. B. Cassatt, John Dyment, J. W. Schorr, Thomas Monohan, George M. Odom, Henderson & Hogan, R. F. Carman, H. Guy Bedwell, W. O. Joplin, J. G. Greener, W. E. Nunn, R. N. Smith, S. C. Hildreth, Mrs. N. B. Davis, Mrs. Eugene Lutz and W. I. Weaver.

Among the horses eligible to start are the following: Flint Rock, Nadzu, Fitz Herbert, Zeus, Montgomery, Countless, Bonnie Kelso, Watervale, Trap Rock, Chester Krum, Cherryola, John Furlong, Heatherbroom, Schoolmarm, Waterlake, John Louis, Chief Kee, Exemplar, Messenger Boy, Governor Gray, Textile, Paton, Rockfield, Royal Report, Fireman, Nimbus, Markie M., Aylmer and Star Charter.

Students of form are busy figuring upon the outcome of the race. A majority appear to like August Belmont's Flint Rock, the strapping son of Rock Sand and winner of the Dominion Handicap. Nadzu, owned by Bedwell, the turfman from the far west, is another that is well favored. Nadzu is unquestionably a long distance performer of merit. It would, indeed, be remarkable if Nadzu, after leading to Mr. Bedwell's enforced retirement from the turf by reason of alleged stimulants administered to the animal, should win for this recently reinstated owner the crowning turf prize of 1911.

Endymion II., an importation from England, looms as a dangerous factor owing to his string of triumphs on the Inter-mountain circuit. Then there is Governor Gray. Cap. Jim Williams is always ready to wager heavily upon the chances of this game and fleet horse. He says he is the best racer he ever sent to the post. Such stars as Countless, Bonnie Kelso, Textile, Cintrella, Fireman, Heatherbloom, Royal Report, Meridian, Markie M., Messenger Boy, Fitz Herbert and Zeus cannot be overlooked.

The race will not only serve to show up the greatest long-distance horse in America, but it will serve to test the ability of the leading trainers. Four-mile races have aroused in this country greater interest and enthusiasm than horse races of any other distance. As far back as May 10, 1842, the north and south engaged in a four-mile heat race, the most memorable in turf annals. It was for $20,000 a side, and attracted thousands of persons from the remotest sections of the union. It was for months the theme of comment and speculation, not only in the sporting circles of this country, but in England.

ANSWERS TO QUERIES.

John B., St. Louis, Mo. See reply to Sam H.

R. T. H., Chicago. The parlay lost because of the disqualification of Horace E.

H. C., Toronto, Ont. The bet lost. If Eton Blue had won you would have been entitled to payment.

D. H. C., Toronto, Ont. Florence T., bay mare, 6, by Sorcerer—Jean, was only raced in 1907 and 1908, her record for the two years being nine starts; no wins, no seconds, twice third and seven times unplaced.

Sam H., St. Louis, Mo. Apparently it was no bet, for the reason that there was no coupled entry at the track. However, your bookmaker can make a coupled rate if it suits him to do so, in which case 6 to 5 and 2 to 5 would be fair.

E. T., Detroit, Mich. The fact that Question Mark was named to win the fifth race is in favor of the presumption that your intention was to back Dullcare to win the seventh race and not the fifth. The complication is due to your own fault in not naming the race when you made the parlay.

DUFFERIN PARK MEETING CLOSES.

Toronto, Ont, September 16.—An attractive card of nine races, with midsummer-like weather prevailing, drew the banner crowd of the meeting to Dufferin Park this afternoon for the closing day of the Metropolitan Racing Association's autumn meeting.

Dolly Bultman, the second choice, won the feature race, at one and one-fourth miles, eased up by three lengths, with Dr. Young the same distance in advance of New Star, which was practically left at the post.

The best finish of the day came with the running of the sixth race, in which Bodkin, Donovan, Glipian and Fleming passed the wire heads and noses apart.

A number of the stables that took part in this meeting will remain over for the next one, which will open October 3, while others will go to Woodbine.

Charles Farr shipped Miss Felix and Isabel Casse home to Petrolea, Ont., last night.

ENFIELD TAKES COEUR D'ALENE STAKE.

Spokane, Wash., September 16.—Enfield, carrying 109 pounds and well handled by jockey J. Callahan, won the Inland Empire Handicap, which carried a valuation of $1 000, at Coeur d'Alene today, by a length from Jack Paine in a driving finish. Fred Mulholland finished third. Enfield was reserved to the last turn, where he moved up quickly, took the lead from Lomond and hung on with great gameness. Jack Paine was running strong at the finish, as was Fred Mulholland. The surprise of the meeting came in the fifth race, when Beda outlasted Useeit, Dr. Dougherty, Pawhuska and Pride of Lismore, winning by a head in a hard drive. She was quoted at the long price of sixty to one.

Jockeys A. Walsh and Kirschbaum were suspended for three days for rough riding.

For an unsatisfactory ride on Manasseh in the first race, jockey Rooney was suspended indefinitely. The judges also suspended McDowell for incompetency and rough riding.

MORE STALLIONS FOR BREEDING BUREAU.

Montreal, Que., September 16.—J. F. Ryan, manager of the National Breeding Bureau, has returned from the west and reports the donation of several more well-known sires. R. J. Mackenzie, son of Sir William Mackenzie, president of the Canadian Northern Railway, has donated Elfin Beau, a fine, big stallion by Filigrane. R. F. Carman has donated Magazine, a fine individual of the compact type. Amos Turney has decided to let Martin Doyle remain in Canada, to be placed under Bureau rules.

The Hamilton Jockey Club has generously presented the three stallions, Reidmore, Stringency and Crawford, to the Bureau and is negotiating for the purchase of Barleythorpe and Selwik, so that these may also be given to the Bureau.

The Bureau show stallions have returned from Toronto, where they won first place at the Canadian National Exhibition and have been re-shipped to Ottawa, to be judged at the Central Canadian Fair.

At Toronto, Rosemount, by Hastings—Lady Rosemary, swept all before him, beating a class of fifteen thoroughbred stallions from all over Canada. Rosemount is a magnificent horse now and will be hard to beat at the New York show in November. He was bred at August Belmont's Nursery Stud and donated to the Bureau by R. F. Carman, of New York. Light Wool finished third in this class and will do better later on, for he is a superb type.

"I believe, said Mr. Ryan, "that fully 200,000 persons viewed the Bureau thoroughbreds at the Toronto Exhibition. On Labor Day there were 152,000 paid admissions, and at least a third of them visited the stables, which were jammed all day. Canadian farmers and breeders are fully awake to the value of thoroughbred blood.

The Bureau will have an exhibit at the New York horse show in November. Their exhibit will be selected from the following thoroughbreds: Oiseau, Light Wool, Beau Gallant, Rosemount, Athol, Fort Hunter, Valjean and Arawak.

WHIDDEN trailed early, as usual, but moved up while rounding the last turn and, passing THE MONK with a rush in the last sixteenth, is in grand form at present. THE MONK had no mishaps except that he was trying to run out soon after the start and ran a good race. JIM CAFFERATA set a fast pace to the stretch and tired in the final drive. LEXINGTON LADY ran in improving form and may do soon. FULLETTA was always outpaced.

RECORD SYSTEM

shows a profit of more than $2,500 on flat bets

beginning April 5 at Jamestown and ending September 12.

System had to be filed with this paper and these figures verified before this advertisement would be permitted. This is certainly strong enough to convince the most skeptical. In the future with each System will be sent a complete and accurate record of every System play made since the opening of the Jamestown track, giving date of race, name of horse and amount won or lost. These figures can be verified by any purchaser of this System in one-half hour's time. Figures are based on closing prices as shown in the form of charts of the Daily Racing Form. Every System horse is played to win and win only. Not dependent on weights, jockeys, track conditions, distances, owners, trainers, etc. Is especially adapted to handbook play, as there are no conditions attached to any bet made. Practically no capital is required to operate this System as only flat bets are made. The first $10 bet made at Jamestown, April 5, third race, on John A. Munro, paid a profit of $80. I guarantee a person starting in with that particular bet would never have had to use a dollar of his own money and would at the present time be $2,500 net winner on $10 flat bets. One purchaser of this System won $15,000 on the Lexington and Louisville meetings with $10. He started May 8 at Lexington and won on Work Box, paying $11.60 to $1. He took the winnings from that race and started making $100 flat bets, with the result mentioned above. Fort Erie, August 1, Sir Alvescot won 12 to 1; Butte, August 12, Lomond, 13 to 1; Butte, July 31, J. F. Crowley, 7 to 1; Salt Lake City, June 7, Elizabeth Harwood, 20 to 1; Jamestown, April 12, Michael Angelo, 30 to 1; Pimlico, May 1, Lawton Wiggins, 15 to 1; same track, May 12, Michael Angelo, 15 to 1. On September 5, at Anaconda, Fore Guard won, paying 15 to 1. The week of September 4, at Anaconda and Montreal, a ten-dollar flat bet showed a net profit of $124. On Monday, September 11, fifth race, at Montreal, Wickson won, paying 10 to 1. Top Note was a System horse the same day in the first race and ran third, paying 5 to 1 to show. This bet was a loss, however, as the System calls for straight plays only. Monday, Tuesday and Wednesday of last week this System showed a net profit of $55, at Montreal, $10 flat bets. I had to send this ad from New York Thursday.

Now that the Kentucky tracks are about to open, I wish to make a few remarks regarding same. At the Lexington and Louisville meetings last spring this System showed the largest profit ever known. Earl of Richmond, Lexington, May 3, sixth race, paid $14.65 to $1; Work Box, May 8, first race, $11.60 to $1; Louisville, May 17, Veneta Strome won $9.95 to $1; Sir Catesby, May 20, won $15.60 to $1. I guarantee a ten-dollar flat bet at Louisville and Lexington won a small fortune. I guarantee this System won over $100 at Pimlico on $10 flat bets last spring and that it won $400 at Jamestown.

I will not guarantee that this System will show such an enormous profit at these tracks as it did in the spring, but I do expect it to be a good winner. Remember, all figures quoted in this advertisement have been verified by Chicago Racing Form.

I do not want to go back to ancient history and tell you about what this System did at Jacksonville, etc. If I did I could give you some startling figures. Remember, that every purchaser of this System can verify every statement in this advertisement by consulting the form charts of the Daily Racing Form. I have not advertised this System in the city of New York since July 4. I promised purchasers that I would only advertise this System a certain length of time in the New York papers and I have kept my promise. I will give $1,000 to any person who can prove that this System has been advertised in any New York paper since July 4. Any fair-minded man can appreciate what a loss this has meant to me.

I will discontinue the sale of this System at an early date. It is nothing but just that I should do so in order to protect the many persons who have purchased same.
